e American Nisei & The American Negro

By STEVE DOI

NGELES, Calif.—Many people have come up to me in recent years that they thought quite highly of all the Japanese Americans they In a sense I must admit that this pleased me. It pleased me because to be a compliment, not to the Nisei, the second generation Japanese but to the Issei, our first generation immigrant parents.

the Issei, who arrived on these shores penniless and ignorant of the stoms, religion, mores, government and almost all aspects of western only were the Americans strange, but many were actively hostile

ANTI-JAPANESE HYSTERIA

stility was manifested in many ways. Laws were passed to prevent attaining citizenship and from owning land. Business licenses were to them under many subterfuges. Orientals for many years were ted as individuals in courts of law, so that they could not testify press charges. Anti-miscegenation laws were enacted. Separate schools shed in many parts of California; many of my friends still recall attending them. The crowning and most devastating blow came after Pearl Harbor and the beginning of World War II, when all people of Japanese ancestry, aliens and citizens alike, were so summarily uprooted and shipped off to American concentration camps. We were given from eight hours to two weeks notice, depending upon the areas. This was done without any trials, hearings, or even questioning. Many Americans find it difficult to believe it happened when they heard about it.

LOYALTY PROVEN

The racists and certain economic interest groups executed a brilliant bit of strategy when they took advantage of the mass war hysteria to propagate rumors and outright lies about the loyalty of Japanese Americans. Many newspapers and columnists irresponsibility, and some deliberately, printed these unconfirmed stories to fan the hate and fear of the general public and accomplished a mass incarceration of an entire minority group. After the World War II, the FBI officially substantiated the fact that no one act of sabotage or espionage was committed by the Japanese Americans in Hawaii or the continental United States.

Canadian Judo Association Gets $5,774 Government Aid

OTTAWA.—Dept. of Health and Welfare Minister Allan J. MacEachen last week announced that Canadian judo has been given a grant totalling $5,774.00 under the Fitness and Amateur Sport Act.

The Canadian Kodokan Black Belt Association, the officially recognized national judo body in Canada, was awarded $4,388.00 for "assistance to hold National Championships in 1966" and another $1,386.00 for "administrative assistance," for a total of $5,774.

"This government grant," said CKBBA President Frank Hatashita this week, "will give us tremendous aid in again bringing together some of Canada's best judokas together such as at the recent 5th Canadian Championships held in Edmonton. I feel confident that this tournament has spurred the interest of judo throughout that province."

Hatashita also said that the funds should aid in the planning of next year's tournament on May 22nd in Montreal. This will be the first time the national championships will be held in Quebec.

Fitness and Amateur Sports grants totalling more than one-half million dollars were announced last week.

Approximately one-half of this — $261,646 — goes to Canadian sports governing bodies for the training of coaches, leaders and athletes, and for the promotion of specific sports.

Another $115,000 has been allocated for the staging of national championships and $44,000 will help finance Canadian participation in international competitions; the remaining $111,000 goes to various sports groups and associations to help cover administrative expenses, and $30,000 has been earmarked for promotion of various sports and training the Canadian team for the upcoming British Empire and Commonwealth Games.

The grants announced last week bring to approximately $1,000,000 the amount allocated this year to national sports organizations under the Fitness and Amateur Sport Act.

Largest of the leadership training grants announced was a $47,289 award to the Canadian Amateur Hockey Association. It will be used to help finance Canada's first National Leadership Institutes at Montreal in August. The institutes, which will be conducted in both French and English, are designed to provide advanced training for the top graduates from a three-year program of regional clinics for minor hockey coaches, all supported through the Fitness and Amateur Sport program.

An award of $29,382 was made to the Canadian Figure Skating Association to continue its amateur instructors training program. More than 750 amateur figure skating coaches were trained at the association's 14

[Ra]ndy Enomoto Raps [Nor]th America Liberal

[VANCOU]VER.—North American liberals have become deputies [of oppress]ers through silence and inaction, 22-year-old University Nisei student Randy Enomoto charged recently.

[Enomoto, a] defeated candidate for UBC chancellor, was speaking [to de]legates to the sixth annual national conference of the [wo]men at the university's Totem Park common building.

[He conde]mned the tendency of liberals to say "The time isn't right" for change.

"The liberal plugs the gap between his thoughts and his actions with time," said Enomoto, first student ever to contest the UBC chancellorship.

"It is a serious indictment, but liberalism has brought us to the point where we are responsible for such actions as those in Viet Nam.

"The limitations of liberalism are too grotesque for consideration," said Enomoto. "The liberal is obsessed with his image. He talks about alienating popular support but actually he fears to define himself for action."

The conference has attracted about 130 women from across Canada.

TOKYO. — Japanese students going abroad to matriculate in foreign educational institutions will be permitted to take with them $1,000 when they leave the country, it was announced by the Ministry of Finance.

Also permitted is sending of money for the student's tuition school fees, and subsistence at the rate of $10 per day minus "approved amount" for each student's two-year study abroad.

First International Teen Princess Is Japanese Beauty

CHICAGO.—The title of First International Teen Princess was won here last Saturday by a 17-year-old Japanese girl from Kyoto, Reiko Oshida.

She was selected from a group of 12 teen beauties from such countries as Netherlands, Philipines, Venezuela, Egypt, France, Austria, Ecuador, Spain, Iran, Italy, and the United States.

This year well-known publications in 12 countries held contests to select their representatives. For example, in the United States, "In", a teen magazine, ran a two-month competition to select Teen Princess America.

The chosen girls were flown to Chicago, given a red-carpet reception by Chicago mayor, Richard J. Daley, were interviewed and entertained by newspaper, radio and television personalities.

Hairstyling and makeup was provided by the Illinois State Hairdressers and Cosmotologists Association.

Sears, Roebuck and Company, the world's largest retail sales company, supplied a Pageant uniform — skirts, sweaters and shoes — and for the final night three complete wardrobes: sports, street and formal ensembles.

Reiko was selected on the basis of character, ideals, poise, appearance and good grooming. It was her vitality and easy charm which gave her the teen title.

Now she becomes a teen diplomat touring the United States and other countries. She also receives many other awards including a scholarship.

The second and third place winners, Austria's Jeanette Wellems and France's Betty Dalbrey, will tour Australia and the fourth, fifth and sixth place winners, Hong Kong.

Nisei Conscientious Objector Wins Voting Rights

SAN FRANCISCO.—The California State Supreme Court ruled here recently that conscientious objectors who serve federal prison terms cannot be denied the right to vote.

It ordered two Los Angeles men—Katuski J. Otsuka, 44, and John H. Abbot, 43—restored to the voter rolls there.

They were denied permission to register by Los Angeles County Registrar Benjamin S. Hite because of their prison records as objectors.

Law, said the court, bars persons convicted of "infamous crimes" from voting, but that category does not include conscientious objectors.

Both men refused to serve in World War II, pleaded guilty to violating the Secret Service Act and served time in federal prisons.

Their testimony, said the court majority showed that each "appreciated the gravity of his decision to violate the law, but was impelled by obedience to a higher law and by religious and humanitarian concern for his fellow man."

Wins 5-2 Decision

The majority opinion, written by Justice Stanley Mosk, said "infamous crimes" must "be limited to . . . crimes involving moral corruption and dishonesty."

Concurring with him were Chief Justice Roger J. Traynor and Justices Mathew O. Tobriner, Paul Peek and Raymond E. Peters.

World Series Between Los Angeles And Yomiura This Fall

By LESLIE NAKASHIMA

TOKYO.—A Los Angeles dispatch saying that the Los Angeles Dodgers have formally announced they will tour Japan this coming fall is good news because it means that the relations of the world's two leading baseball countries are back on a satisfactory basis.

The Dodgers made the announcement of touring Japan after completion of the major leagues' world series and the Japan series at the invitation of the Yomiuri Shimbun.

Baseball commissioner William D. Eckert and major league club owners approved the request of the newspaper to invite the Dodgers.

Ford Frick, Eckert's predecessor, accompanied the New York Yankees to Japan in 1955 at the invitation of the Mainichi newspapers and reached an agreement with the Mainichi and Yomiuri newspaper that they take turns once in two years in inviting major league teams to Japan.

The agreement took effect after the Brooklyn Dodgers toured Japan in the fall of 1956. The St. Louis Cardinals played here in 1958; the San Francisco Giants in 1960 and the Detroit Tigers in 1962.

Yomiuris Turn

It was the Yomiuri newspaper's turn to invite a major league club in 1964 but the project was postponed until 1965 because the two Japanese professional baseball leagues did not want to interfere with the holding of the 1964 Tokyo Olympic games.

Frick designated the Pittsburgh Pirates to make the Japanese tour in 1965 but Yomiuri balked at Frick's selection. The newspaper said it would lose money if the Pirates came because Japanese baseball fans did not know the Pirates.

Frick fired back and said it was the Pirates' turn to make the tour to Japan and that no other club would be designated to do so. The upshot of it was that Yomiuri decided not to invite a major league club in 1965. It also obtained the understanding of the Mainichi newspapers to reserve its right to get a major league club over in 1966.

Murakami Hassle

There also was the controversy over Japanese southpaw pitcher Masanori Murakami, the first Japanese to play in the major leagues. Murakami pitched a few late season games for the San Francisco Giants in 1964 and returned to Japan in December of that year. A struggle ensued between the Nankai Hawks and the Giants over ownership of Murakami.

Frick took the side of the Giants and threatened to sever baseball relations between Japan and the U.S. if Murakami did not abide by his contract and returned to the Giants. Frick added that unless Murakami did so, no major league teams would again play in Japan.

Japanese baseball authorities were shocked at Frick's strong attitude. They claimed that the entire controversy arose from a misunderstanding and that a compromise should be reached between the two ball clubs.

It is interesting that the sporting news of St. Louis, Missouri had an editorial in March 1965 entitled "Why Ignite International Incident?" and said:

"The agitation over the Masanori Murakami case is far out of proportion to its importance. Directives and communiques from Japan, from the Giants' San Francisco headquarters and from the commissioner's office, and all of these on a daily basis, have put a comic-opera touch to the whole episode.

"As good a pitcher Murakami apparently is, he cannot be good enough to warrant all of this furor . . . it would be far better for all concerned if this whole matter were now settled diplomatically and quietly. Japan is the No. 1 baseball country outside of the United States. Government officials have long said baseball is one of our nation's best goodwill exports to the Far East. This amicable relationship should not be jeopardized by a continuation of the present shouting match.

"If Murakami doesn't want to come back, forget it."

Compromise

A compromise was reached in May last year between the two ball clubs under which Murakami was to play for the Giants in 1965 and make up his own mind at the end of the season where he would play in 1966.

Murakami played for the Giants last year, returned to Japan in December and decided to play this year for the Nankai Hawks of Japan's Pacific League.

Real World Series

Matsutaro Shoriki, owner of the Yomiuri newspaper and the father of professional baseball, believes that Japanese baseball players have reached par with the major leagues and have been talking about the holding of what he calls a real world series between the U.S. and Japan winners.

The Dodgers won the world series last year over the Minnesota Twins. Shoriki's team, the Yomiuri Giants, captured the Central League championship and then won the Japan series by defeating the Nankai Hawks, champions of the Pacific League last year.

Thus, Shoriki figured that a series between the Dodgers and the Yomiuri Giants this year, a full year later, may still be considered in the category of a real world series. So he sent his son, Toru, president of the Hochi Shimbun and representative owner of the Giants, on a number of trips to the U.S. to get the Dodgers over this coming fall to Japan.

Toru Shoriki, with the able assistance of Roy Saiki, Hawaii born sports editor of the Yomiuri has finally succeeded in completing arrangements for the Dodgers to come to Japan.

The Dodgers won 14, lost four and were tied in one game in their 19 games in Japan.

「なんだか皮肉を言われているみたい。あなたはそのおみくじを買ってくれるんですか」

「その方が安心だろう。いやなら無理にとはいわないがね」

「あなたはおみくじなど、子供だましだと思っているようね」

「満更そうでもないんだが支那の人はね、おみくじを引いて凶が出ると、それをすてて、自分の気に入った大吉が出るまで、何本でも引くという話だよ」

「それじゃ、なにもおみくじなんか引かなければいいじゃありませんか」

「さあ、一本のおみくじでくよくよしているのと、何本でも吉の出るまで引いて安心して忘れてしまうのとどっちが得な生き方だろうな」

「あたしのは損得じゃありませんのよ。あなたは敵討まで馬鹿らしいというの」

「町家の敵討は公儀で禁じている。わしは討つなとはいわないが、掟にしたがって、善悪は公儀に裁いてもらうほうが常道だと思っている」

「馬鹿らしい。公儀にそれだけの[illegible]ません」

「そうか。そういうことがまるつきりないともいえないだろうな」

男は人のことだと思ってはじめから至極冷静で、むしろ冷淡にさえ見えるくらいなのだ。

それなら余計なお節介をやいて、なぐさめてやるだなどと、口幅ったいことをいわなければいいのにと、お加世はまたしても中っ腹になってくる。

「お武家さん、御親切ついでに、たった一つだけうかがいたいことがあるんですけれどね」

「どんなことだ」

「女は親の敵を討つためになら、どんなことをしてもいいでしょうか。女一人の手では、とても討てそうもない相手なんです」

今日はその腹をきめようと思って、わざわざおみくじを引きにきているのだから、男の冷淡さに腹を立てながら、お加世はついにそれが口に出てしまう。

道は馬道を突っ切って寺町へ入り、この辺までくるとさすがに人通りもまばらになってくる。ここを通りぬけると、花川戸の大通りへ出るのだ。

「そうだな、昔こんな話がある。女が親の敵を討つために、どうしてもその手段がなくて、敵の妾に入りこんだんだ。それでも敵は少しも油断をしないんだな。三年はどたつうちに、女は敵の子供を宿して生んだ。子供ができると、敵もいくらか油断してきたので、女はまず子供を刺し殺してから、敵を討って、ようやく本望をとげたというんだ。これは作者の作り話かも知れないが、もし本当にあったことだとすると、その女はかわいそうな気ちがいということになるな」

「どうしてその女は気ちがいなんです」

お加世はなにか頭の中が嚇と熱くなってきた。その女を気ちがいと簡単に片づけられてしまったのが、妙に気に入らないのである。

「普通の女にはそんな非常なことはできない。第一、そんなわが子を殺すようなむごたらしいことをして、敵を討ったって、誰もよろこびも感心もしないだろう」

これらの音楽は雅樂、尺八、コト、三味線、ビワなど日本の樂器を使ったもので義太夫、清元、なが唄、小唄までふくまれており、日本音盤協会が組合せて、ト市が最近祝った『日本デー』にちなんで適當な施設に寄贈してほしいとトレード・センターに送ってきたわけである。

經濟所長の語るところによると、最近カナダ人の訪日客がめっきり増加しているが、歸加してから日本の傳統的な音樂を樂しむことが少くなっており、ほとんど西洋音楽が流行しているのは遺憾であると多くからもれ聞いたので、日本音盤協会に頼んで『日本的なもの』を送ってほしいと申し入れた結果、今回の寄贈となったのである。

オカナガンのフルツ作良好

【ケローナ】六六年度のオカナガン地方のソフト・フルーツ收穫予想が今週發表されたが、チェリーの收穫見込みは六四年度とほとんど同量でまず良好。エプリカクトは低下し、ピーチも平均作以下とみられている。しかし全体的にはこれらフルーツ作は順調でエプリカットとチェリーのサイズはよく、ピーチの大きさだけが心配されているという。

東京 露木海藏

△近頃朝めしぬきで飛び出すものが多いという。忙しくてタイムがないというが實際には經濟的理由らしい途中の店頭か驛のホームで牛乳ビンをラッパしている人が多い。働きざかりの者がこれでは、イザ鎌倉という時に役にタタヌことになりはしないか——。

△ついでに牛乳のことだが實にインチキだ。一本二十圓から二十五圓で賣っている牛乳はバター・ファットはなんにも入っていない。脱脂したあとのスキム・ミルクである。あの一本に一カップ（カナダの）のものを入れると四分の一ほどカップに殘る。カナダで二パーセントのバター・ファットのミルクは一ガロン六十仙から六十五仙でスーパーマーケットで賣っている。日本のはスキム・ミルクで小賣は倍以上である。

△何處の國でも幾分の物價は上昇し、經濟力、消費力はインフレしている。然し日本はその昇り率が烈しい『卸賣物價が落ちついているからインフレではない』と大藏省が言明しているが私にはピンと來ない。要するに物價と賃金がいつも競爭し、爭いあっているし、生活が樂にならない實感は

は『安賣りデー』を月に何回かやるように店には進めている。だが一、二回實行しただけで立ち消えになっている。何から何まで流通機構に問題点が多いと云う。それは人手不足といいながら人手を粗末にしている點もある。不要な人手に給料を支拂っているのである。

△會社でも役所でもお茶くみしかしていない月給取りがいる。この例を上げればキリがないが、デパートに行ったらすぐに判る。ドアの所で盛裝した若い娘が、『イラッシャイマセ、マイドアリガトウ』とおじぎをする。エレベーターの所でも白い手袋の娘がお客に最敬禮をするしかけ。

△エスカレーターも然り、最敬禮しながらやっと聞きとれる可愛い聲は練習したあとらしい『いらっしゃいませ。足もとにお氣をつけ遊ばせ』その他エトセトラの遊ばせ言葉である。これを耳もとにささやかれてキメの細かいサービスなどと感激しているのはおのぼりさんから脱皮していない人のことだ。

△こうした不要人員の給料はコストにかかっている筈である。だからお客は王様というが、給料をくれる王様へのサービスのおじぎと思っている人が何人いるだろう。私だったらそんなサービスにお金を拂いたくない。

△こう書いていたら、郵便料金の値上げが決定したと報道している。ハガキも封書も倍近くになるらしい。お米は一石二万圓（一俵八千圓）の二十五％値上げ運動が始った。經濟安定の看板を佐藤内閣はどうするつもりか。ビジョンをもっと親切に教えてもらいたい。

正確に月に軟着 米國に凱歌揚る

スーペアー一号が送電を開始

【加州、パサデナ】米国の月観測宇宙船『スーペアー一号』は第一回の試みにもかかわらず、二日午前二時十七分、打上げ後六十三時間、二十五万マイルをとんで、月表面に成功裡に軟着し、スーペアー一号はただちに地上に月表面のもようを送電することにも成功した。

米観測宇宙船の月軟着の瞬間、パサデナの月探険計画本部は歓呼でわきあがつた。地上からの指図にしたがつて正確に月表面の『あらしの海』と称する地域にスピードを六千哩時から二百五十哩時におとし、着陸直前には更に三哩半時にスローダウンして見事に軟着したといわれている。

スーペアー一号から送られてきた月表面の写真を判断した専門家によると、月表面は比較的スムースで、しかも砂で埋まれており、将来宇宙人がおり立つことが自由であろうといっている。

打上げ陣では宇宙観測船の月到達はソ連の経験でも證明された通り、きわめて困難な計書とみて、四回打上げを予定していたのが、第一回の打上げで希望通りの成功をみたことは米国の偉業と認められている。

カナダは大使送らない

國民政府要人が不平をもらす

【台北】このほど台湾を訪問したファイナンシャル・ポスト紙記者は、国府要人とインタビューした結果、国民政府はずつと前からカナダに大使を派遣しているのに、友邦カナダはいまだに大使を送つて来ないのはどうしたことか、と逆に反問され不平をもらされたと今週の同紙々上で報じている。

一方、蒋介石総統は国民政府の内閣改造を行い現駐日大使親道明氏を外交部長に任命すると共に、駐ポルトガル大使、外相などを歴任した黄少谷氏を行政院副院長に、また現国民党中央党部副秘書長の徐慶鐘氏を内政部長にそれぞれ任命した。

台湾政府の新外相となる親道明氏は今年七十才、日本に大使として着任してからわずか二年だが、法学博士であり、各有力新聞の社長をしたなどの大物で、外相任命は妥当だと日本側ではみている。

輸出クオーター交渉に 日本が無回答で氣もむ

【オタワ】今年度の対カナダ向け日本品の輸出数量割当に関するカナダ政府当局との交渉に日本は足踏みしていることで、カナダ側をいらだたしている。毎年いまじぶんにはクオーター交渉は結着済みとなつているのに、今年一月、カナダ側が提示したクオーターに対して日本側はなんらの意思表示もなく、日本側の希望クオーターも表示しようとしていない。日本大使館筋でも『本国政府の意向を解しかねる』という意味をもらしている由。

シャープ蔵相はこのほどバーノンにおいて『カナダが日本に対し製造品の輸出発展ができないでいる理由の一つは、日本がカナダから原料は買うが、製造品を輸入することには大きな障壁を築くという貿易方針を堅持しているからである』と非難した演説を行つた。

このせいでないにしても、日本が対加輸出量交渉をおくらせていることで、カナダ側は神経をとがらせているといわれる。

景氣回復

【東京時事通信】経企廳は三十一日の参与会議で四月の経済動向を中心とする月例経済報告の内容を検討、結論が出たので、一日の経済関係閣僚協議会へ提出した。これによると輸出、財政支出、消費の拡大を反映して景気は着実に回復の道を歩んでいるとしており、とくに製品在庫率の大幅低下、原材料在庫の上昇は景気回復がき道に乗つたものとして注目している。

ソ連客船を警護

モ市港で五百の警官隊出動

【モントリオール】ク州各港の内外船を一カ月も立往生させているロングショーメンのストライキは今週に入つて、一組の暴力団がさわぎ出し、船会社事務所や自動車に損害を与える乱暴をはたらいた。このストでモ市万国博の工事も支障を来たし、担当大臣は『重大事である』と認めている。

一方、折からモ市港に停泊中のソ連豪華客船アレクサンドル・プーシキン號は乗客をつんで出港したが、それまで約五百名のマウンティーとク州警官が同船を警護するという物々しい状態をかもし出した。さいわい無事故でソ連船が出港したので当局はほつと胸をなでおろしている。

また今週、団体交渉権を要求してストに突入するはずであつたク州警官協会はその要求を州政府から認められたので、スト決行二、三時間前に解消して、ともかく警官ストだけは解決された。

北南中米の大統領會議

【ワシントン】北南中米諸国の大統領が出席する頂上会議的な会合が年内には實現することになろう。ブエノス・アイレスでひらかれる米州機構の外相会議後、十一月中にリマあるいはサンチアゴで大統領会議が召集される見込みである。この会議には十月任命されるブラジル大統領も参加が期待され、ドミニカの大統領も加わるはずである。

デモ三万

原潜寄港で

【東京】今まで佐世保に米軍艦が寄港していたがこんどはじめて米原潜が横須賀に緊留したので、東京を中心とする付近の共産党や社会党員が連日一万余のデモをつづけており、一日のごときは三万のデモが同軍港で反對行列を行つた。警官隊が厳重警戒したので行列は平穏であつたが、いつ突発事件がおこるかわからずあらしをはらんでいる。

米ソ協定へ 天体探険

【国連】米ソ両国がそれぞれ宇宙船の月軟着に成功したことにより、ベトナム問題で対立している米国とソ連間にはじめて主要な協定成立の気運がみられるにいたつている。

それは月とその付近の衛星を『国際化し非武装化』する協定を米ソ間に結ぼうというもので、ジョンソン大統領はすでにそれを主張してきている。ソ連側では米側のこの提案を認めようとせず、一九五八年以来、ソ連はその必要を叫んできたとし、国連総会に次の内容の『宇宙法』を提出するはずである。

(一)月およびその他宇宙体を各国の探険と差別ない使用に解放する。

(二)いかなる軍事的使用とくに核使用を厳禁する

(三)これら天体の領土権宣言を防止する。

(四)宇宙開発に更に協力する。

未開發國への援助額

西部と共産の對比率

【国連】西部国家群はアフリカ、アジア及びラテン・アメリカの未開発国援助のため、共産国が供出する一弗毎に六弗を費消していることが国連の新統計で明らかにされた。

未開発国に対する西部国の経済的援助は一九六一年の七十億二千万弗から一九六五年の八十億弗以上になつているものの、西部側の富の増加に比例してはその増加額はベースにあつていないとされている。

一方、共産国群の援助額は上り下りが多く、一九六一年には十億弗に達したがそれが六二年には一度にその三分の一に減少、六四年は十億二千万弗にふえ、昨年はまた減つている。共産国群の援助対象国はアフリカで、主にエジプトとアルジェリア。

もしアフリカ・アジア諸国とラテン・アメリカ諸国が全般的に自給自足になるためには、今後五年間にわたるこれらの諸国に対する投資額は現在額より三十億弗から四十億弗をふやさなければならないと推定されている。

ソ連外相訪日

【モスクワ特電時事通信】グロムイコ・ソ連外相は七月二十九日から八月五日まで日本政府の招きで訪日する。椎名外相訪ソに対する答礼で滞日中日ソ関係諸問題と双方に関心のある主要な国際上の諸問題について日本政府指導者と話し合う。

舊式車に乗り世界一周の旅

カナダ百年祭をピーアールする目的で、オ州キャレンダー在住のスタン・ダイナード氏は夫人と一人娘を同伴、モデル・ティの舊式フォード自動車を駆つて六万哩の世界一周旅行に七月でかけることになつている

三人組はまず濠州、ソ聯、アフリカ一部、セイロン、濠州、日本、カン国を歴訪してカナダに帰る予定。古車のトランクにはバーク・カヌーを乗せ『カナダのセンテニアル』と太文字のサインをかかげてボコボコ走るというプラン。

五月二十九日から六月五日までの日本古美術品展もこの日曜でおしまい。日曜は午後一時から五時まで。最後にみるチャンス。連日人出が多くあり、まずは大盛況に閉幕するわけである。

オタワからわざわざでかけて今週見物した二世青年があつた。そのいい分は『訪日したつてめつたにみられないものということであれば、なんとしてでもね』

'House of Shame' Centre Film to be Shown June 12

TORONTO.—The last Japanese movie of the season for the Japanese Canadian Cultural Centre's Film Festival will be presented on Sunday, June 12th from 2:00 p.m. at the New Yorker Cinema. It's title is "Gobancho Yugirio" or "House of Shame."

This Toei production stars Yoshiko Sakura, Michiyo Kogura, Michiro Kawarazaki, Minoru Chiaki, K. C. Tsumura.

Plot of the flick, as related by Centre Director Kadoguchi, is as follows:

"A story of pure love between a daughter of a poor family who has sold herself to a brothel in order to save her bedridden mother, and a novice priest, with an impediment in his speech, who is scornful of the world which despises him, is portrayed against the background of the simple goodness of those who inhabit the red light district."

This flick is reported to be one of the top three filmed for 1963 in Japan. It should be a gas.

Due to its length, no shorts will be shown. Come on time to insure seeing the whole thing. — KCT.

Shopping Bag Art Show At Tor. Public Library

TORONTO.—There was a time when "practical" was the only way to describe a shopping bag. But that just isn't so these days. And the staff of the Fine Art Section of the Toronto Public Library is determined to prove it. They are planning a graphic art exhibit unique in Canada — a display of over 200 shopping bags from all parts of the world.

The display, to be held in the Toronto Public Library's Fine Art Gallery from June 6 to July 9, will feature a colorful and artistic collection from stores in France, Sweden, Finland, Japan, Britain, Austria, Switzerland, Canada and the United States. The exhibit is intended to stimulate interest in the graphic potentialities of shopping bags — to interest the designer, the advertiser, the manufacturer and, naturally, the shopper, and to illustrate the potential value of shopping bags.

They come from such famous stores as Liberty's of London, Neiman-Marcus of Dallas, Bloomingdale's, Tiffany's and Saks Fifth Avenue of New York. There are all shapes and sizes — in paper, vinyl and cloth. Colors range from the subdued to the "impossible-...". Designs vary from block lettering on a plain background, through stripes and checks, to elaborate floral or print combinations. In some cases the store's image has become so distinct and well-known that its name does not even appear on the bag.

The exhibit will be open to the public during the following hours: June: Mon. to Fri., 9:30 a.m. to 9 p.m., Sat. 9 a.m. to 5 p.m.; July: Mon. to Fri., 9:30 a.m. to 8 p.m., Sat. 9 a.m. to 5 p.m.

Old Salts In Van. Await Sail Boat The Kaiwo Maru

By CHARLES DEFIEUX

VANCOUVER. — You're being told early you old windjammer boys; all old time mariners, and all who love the sea, ships and the men who travel over the broad waters.

Kaiwo Maru, which means King of the Sea, four-masted full-rigged auxiliary equipped training ship is expected to put her canvas to the breeze in English Bay Sunday, June 19, opening day of Vancouver's big sea festival. Captain Ara Inazo will bring his trim ship into Juan de Fuca Straits early Saturday morning.

Seventy navigational cadets and 20 engineering cadets will be aboard along with 19 officers and 47 ordinary seamen as she comes to anchor in English Bay late that afternoon or early evening. Built at Kobe in 1930, Kaiwo Maru is of 2,284 tons, gross.

* * *

Weather permitting, Sunday will be her big day. She's scheduled to carry out sail drill that morning. While the ship has been here before, among most other world ports, this is said to be the first time an actual sail drill has been held for public view.

Sunday afternoon she'll have honored passengers in six young chaps from Grades 11 and 12 in Vancouver schools. They'll be winners of an essay contest on Vancouver—100 Years a Port. The shores of First Narrows should be jammed as Brockton Point will be the scene of other ceremonies, too. Kaiwo Maru is scheduled to pass under Lions Bridge at 3:15 p.m.

Of course there's a whole week of sparkling entertainment but what's so pleasing to one is the widely increased participation of the merchant marine fraternity. Vancouver Board of Trade will hold a special Port Day luncheon Monday, June 20. It will be preceded by a reception and followed by an air tour of the harbor and approaches. Honored guests will be visiting skippers, shipping agents and national representatives.

Nisei-Negroes . . .

(Continued from Page 1)

EDUCATION IMPORTANT

Through all these experiences, the Issei always counseled us to keep trying our best, just as they did. They encouraged their sons to volunteer for the armed forces from within the U.S. concentration camps to form the famed 442nd Infantry Regiment which became the most decorated unit of its size in World War II. It had a 300% casualty rate. It was the smallest unit to receive a presidential review upon its return from Europe.

The Issei did not relish working as housemaids, cooks, janitors and houseboys. They were mainly from the farmer and samurai class, who were of the middle class in Japan. Many were second and third sons without the prospect of inheriting their family fortune, and thus left for the United States to seek their future. As proud as they were of their family name and nationality, they took what menial jobs they were able to obtain. This enabled them to raise and educate their children. It was ironic in the fact that many Issei toiled for a life time for families who were actually their inferiors when it came to morality, integrity, honor, and other standards by which we often judge people as to their true worth.

Racists claimed that the Japanese immigrants lived on a subnormal standard of living. What the racists forgot to investigate was why these people were willing to forbear what little luxuries they could have afforded.

The Issei were bound and determined to have their children live a better life than they did and to be educated to the highest degree possible. That is why they lived as they did. That is where their meagor earnings were spent. That is why the people of Japanese ancestry now have attained one of the highest educational levels of any racial group in the U.S. These facts I state not to boast about the Nisei, but to point with pride and thanksgiving to our parents, the Issei, who made such a wonderful life possible for us in this great country of ours.

The next time you see some elderly Japanese aged approximately 65 through 95 years of age, think not of just the slight, bent, arthritic and smiling Oriental oldsters, but think of what they believed, thought, and accomplished, despite overwhelming obstacles. They are fine Americans in every sense of the word.

The foregoing, I feel is a necessary prelude to what is to follow.

To get back to my original statement, people often comment on how they like or admire people of Japanese ancestry. I doubt if any Nisei would object to that.

NEGRO MIDDLE CLASS

Unfortunately, after their comment on Japanese Americans, many people ask a question which I feel is basicly unfair. That question, if you have not guessed already is, "Why aren't the Negroes like the Japanese." Though they might have meant well, it seems that they have not seriously considered the issues involved. First of all, they do not realize that there exists today, a large middle class within the Negro population which has the same goals, aspirations, values and criteria that the white, Anglo-Saxon, middle class has. This group is growing larger each year as opportunities are opened to the minorities.

As one of a distinguishable minority, I know that there are many people who tend to point out a person for his actions, good or bad, because he is readily recognizable as being of a certain racial group. A small percentage of any racial group can give any such group a black eye because of the fact that they can be distinguished as coming from such a group. A friend of mine told me that a trip to the orient was enlightening for the fact that for the first time in his life, he found out what it was to be a minority.

EFFECTS OF SLAVERY

It should be experienced by everyone at least once in his life time.

My contention is that everyone should be cheering the Negro for any advances that he makes, educationally, economically and socially. Why do I say this? This is why. He is doing it under obstacles greater than those faced by any other racial group. If you took any European or Oriental forcibly from his native land and placed him in slavery and cut him off from his cultural ties, you could easily destroy any vestiges of his original cultural traits. For over two hundred years, the Negro family units were a hinderance and a threat to the slave trade. The strongest male slave was mated to the healthiest female to produce children who grow to adulthood without the love, care and instruction that only a parent can give. Where we had our Issei, they had nothing.

The Negroes were suddenly freed from bondage by the Emancipation Proclamation, but that was not enough. Where was the massive private or governmental aid necessary to rebuild what was methodically destroyed? Where were the social and education programs necessary to help the Negroes achive the minimum levels of education to give them at least a fair start? Where were the programs necessary to help weave the Negro into the fabric of American society?

This was the responsibitlity of the people of our nation, both North and South, but it was not done. The white majority either left them or kept them mired in the lower levels of the socio-economic pool.

NEGROES SALUTED

Any racial or religious group, bar none, would have experienced extreme difficulties if they were placed in the same circumstances. No one can deny it. That is why I salute the Negro for achieving what he has to this point, despite the lack of true understanding of the enormity of his problems and the lack of enough help from the rest of the citizens of this country during the past 100 years.

True, the Negro people must do their utmost to improve their lot, but the rest of the citizens of this country are under a heavy moral obligation to encourage and aid them with all the resources within our power. If we do not, we have no right ever to be critical of others. And, when we find ourselves trying to ignore the plight of the Negroes we should always ask ourselves this question: "If my forefathers' family units and culture were deliberately destroyed for the last two hundred years, and I had been denied the opportunities for an education and a decent job, how would I feel and act today?"

regional clinics during the past season. It is expected that more than 1,000 coaches will be trained for the association's member clubs and community organizations during the 1966 program.

Two grants totalling $26,233 were made to the Association Canadienne des Centres de Loisirs to help stage two six-day training clinics for recreation leaders. One grant will cover the cost of an annual training camp for young recreation leaders; the other is for a seminar type of clinic for recreation directors.

The Canadian Amateur Football Association was awarded a grant of $18,354 to help put on five separate, three-day clinics for football coaches. A total of 270 coaches are to be trained at these early Fall clinics at Canadian universities in Alberta, Manitoba, Ontario, Quebec and the Maritimes.

A federal grant of $15,000 was awarded to Les Scouts Catholiques du Canada to assist the organization in holding 15 leadership training camps in outdoor techniques for French speaking chief scouts across Canada. Nearly 1,800 scout leaders will participate in these camps.

Japan Test New Railway Seismograph

TOKYO. — Japan successfully tested an automatic railway flare signal to halt trains in case of serious earthquakes, according to local national railway authorities.

The system was completed at the Sai River bridge on a National Railway Line.

A special seismograph installed at the foot of the bridge was artificially set in motion to the same degree as in the case of a tremor of the fifth (strong) degree in Japan's earthquake intensity scale of seven.

The seismograph sent electric pulses to a flare gun installed about 200 meters away on each approach to the bridge, sending up a column of red flames.

The northern part of Nagano prefecture has been continually rocked by a seriees of earthquakes, already totaling nearly 300,000 since August 3 last year.
